+++++

Publication & Special Issues

+++++

All accepted papers will be published in the conference proceedings, under an ISBN reference, on paper and on CD-ROM support.

All papers presented at the conference venue will be available at the SciTePress Digital Library (<http://www.scitepress.org/DigitalLibrary/>).

A short list of presented papers will be selected so that revised and extended versions of these papers will be published by Springer-Verlag in a LNBIP Series book.

A short list of papers presented at the conference will be selected for publication of extended and revised versions in a special issue of IJSOI, the International Journal of Services Operations and Informatics (Special Issue Editor: Prof. Runtong Zhang).

The proceedings will be submitted for indexation by Thomson Reuters Conference Proceedings Citation Index, INSPEC, DBLP and EI.

+++++

Paper Submission

+++++

Authors should submit an original paper in English, carefully checked for correct grammar and spelling. The initial submission must be from 4 to 10 pages otherwise it will be rejected without review. The paper should be edited by Word. All papers send to Lianglimmay@163.com

The paper template comes from http://icir.bjtu.edu.cn/iceis2011/iceis_cn/workshops.asp

The preferred submission format is the same as the camera-ready format. Please check and carefully follow the instructions and templates provided. Each paper should clearly indicate the nature of its technical/scientific contribution, and the problems, domains or environments to which it is applicable.
